Auckland Update

June 2023

The Auckland branch continued Friday outreaches in downtown Auckland. If the weather was good, we had two teams of about three volunteer evangelists each operating our survey tables, engaging in discussion and sharing Christ.

Our 'Love Auckland' Easter outreach provided good team opportunities downtown and at Mission Bay. The weather packed up on Easter Sunday, so we went home.

Philip Williamson is discipling an ex-Jehovah's Witness contact who is now joining us to share the true faith.

A potential door has opened for us in next year's Easter Show, where Lew has got to know one of the managers, so we are hoping to have a major outreach Easter Walkthrough display there.

Lew was invited to be the speaker at School Holiday Mi Camp, (Lake Whakamaru), so he took seven preaching slots for the children and three leader devotions. He was most encouraged when 15 children responded to the gospel invitations.

Lew also enjoyed returning to Capernwray Bible School in May as a visiting lecturer. He taught a series on evidence for our faith and the distortions of truth in cults and religions. He has also been training potential Community Chaplains in Auckland, Hamilton, Oamaru, Dunedin and Christchurch.

Highlights for the near future include continued Auckland Friday outreaches, Community Chaplains training in Napier, Whanganui and Kapiti Coast, and hosting a School of Evangelism on three weekends in July in Auckland and hopefully some evangelistic initiatives in Whangarei.

Please join with us as prayer partners for these outreaches.

LOVE AUCKLAND
