Auckland Update

October 2025

The winter makes outdoor ministry unpredictable, and we have had to cancel outreaches often. However, that assists with better preparation for other ministry.

Lew has been involved in assisting the volunteers in the Waikato branch with sorting the relationship with the Council. Their security people did not understand our rights. They do now and we have a good relationship with Council. The volunteer team has grown and has begun another outreach on Saturday mornings.

Lew has also been busy with the Connect and Communicate Seminars and the Community Chaplains training... in the Waikato, in Upper Hutt and in Christchurch. He has ahead a seminar on evidence for faith in Whangarei, plus Community Chaplains training up there.

Another recent highlight was the Manukau and Otara campuses of the Manukau Institute of Technology. Sadly, the numbers were low because of another event many of the students went to, but we still had a great time with those who came to our stall.

Philip has been busy with Friday and Wednesday outreaches, and also preparing for preaching, for training leaders and speaking to children at an upcoming Totara Springs (Matamata) outreach camp.

We look forward to more outdoor ministry as the weather improves.

Please pray for continued fruitful ministry in Auckland City of Souls.
