

# Dunedin Update

October 2022

## So, whats been happening in Dunedin?

### Street Work

I have been out in the Octagon with the sketch board teaching Bible stories to whoever will listen. I've been using chalk pastels which I really like as they are easy to use and are attractive to those walking by.

I have recently shared these gospel stories with a young Chinese boy and four teenage girls who are very close to making a discission for Christ. I will have a team of mostly younger woman who are willing to disciple them when they do make a commitment.

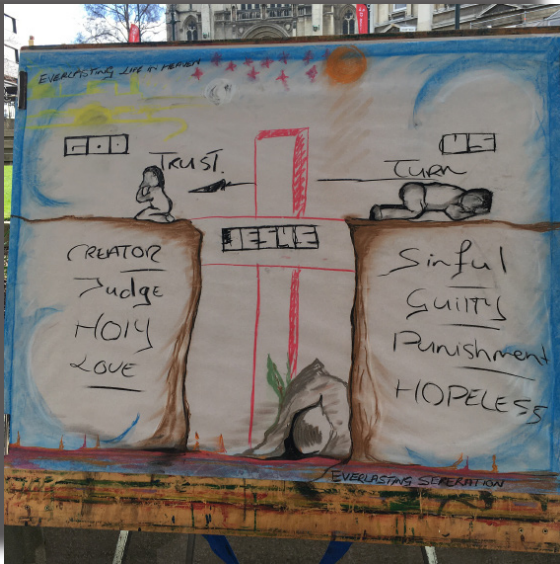

I was blessed to have **Kevin Simson** from Napier join me for nine days and we went out every day and did open air outreaches with the sketch board stories.

Kevin is quite artistic and really enjoyed doing chalk drawings.

While some days are quite tough other days are very fruitful which makes you forget the tough days. Such as the opportunity to teach students about Cain and Abel, Jeremiah 31:31, The Samaritan Woman at the well, Jesus healing the crippled man at the pool of Bethesda, Jesus healing a woman and Jairus daughter and others.

We now have a team to start an **after-school club** at Wray Street Youth Hall. This will start Tuesday the 25 October 3pm – 5pm.

We will start with afternoon tea for the children as some will come straight from school and others will have to be picked up. We will have some games, a song or two and a Bible teaching, a craft followed by some reading or home-work time. One of our helpers will connect with the school to promote the club which is just around the corner. The theme for the term is on planets. Please pray that the kids will grow in their understanding of God and their need for him.

Shane Louie
